Great - Arrange with Randi ,the Program Co-ordinator at Met, to accelerate your entry - Her phone is 212 423 6080 . By the end of April you should know all the locations and people at Met and plan on spending two days up at WMC to shadow the residents here . TW

Dear Drs. Wandel and Sharma,
I spoke to Federal State Medical Board trying to find a way to accelerate the results of my exam, the answer was no as they have to establish the new curve and SD.
I would like to reassure you that I did very well and from 500 questions, I was not confident only in less than 10% of questions.
This percentage should keep me on the 90 percentile of examinee.
I would like to reassure you that I am confident that I will pass this exam.
Thanks,
Amro
